(A morning and afternoon break and lunch will be provided.)

AFTERNOON SESSION: 1:00 - 4:00

PROGRAM FORMAT

Please keep in mind we are guests at these sites. The subject sites are being offered for training purposes only, we are not there to conduct formal or other inspections of any type. Discussions or comments concerning specifics on any of the sites should be conducted within the format of this program. Dress accordingly for the field work aspects of your job. Since the actual sites have not been set at this time, you will be contacted by fax as to the morning meeting location. If you do not receive meeting location information by May 17th, contact 262-375-5305. **Drivers may be needed** for transportation to and from the subject sites since site locations may not accommodate parking for all vehicles. If you can provide this transportation, please indicate below. A maximum of 50 can be accommodated on a first come first served basis. Regular members will have preference. **PREREGISTRATION WITH A \$15.00 DEPOSIT TO (BIASEW) IS REQUIRED.** Your deposit will be forfeited if you fail to attend. Registration forms with checks must be received by May 14, 2010. Due to time constraints, registrations received after the deadline may be returned. The registration form is on the reverse side.

The entire group will be divided into 2 groups. The two groups will proceed to one of the structures and then divide into 2 groups again. Two 45-minute training sessions will occur at each structure. After 1 1/2 hours the groups will proceed to the other structure for 2 additional 45-minute training sessions. Breaks will be supplied at the time between each structure.
